

# Falling Down

## Scarlett Johansson

I have come 500 miles  
Just to see a halo  
Come from St. Petersburg  
Scarlett and me  
Well I open my eyes  
I was blind as can be  
When you give a man luck  
He must fall in the sea  
And she wants you  
To steal and get caught  
For she loves you  
For all that you are not  
When you're  
Falling down, falling down  
When you're falling down  
Falling down, falling down You forget all the roses  
Don't come around on Sunday  
She's not gonna choose you  
For standing so tall  
Go on and take a swig  
Of that poison and like it  
And don't ask  
For silverware  
Don't ask for nothing  
Go on and put your ear  
To the ground  
You know you will be  
Hearing that sound  
Falling down  
You're falling down  
Falling down, falling down  
Falling down, falling down When you're falling down  
Falling down, falling down Go on down and see  
That wrecking ball  
Come swinging on along  
Everyone knew  
That hotel was a goner  
They broke all the windows  
They took all the door knobs

And they hauled it away  
In a couple of days  
Now someone yell timber  
And take off your hat  
It's a lot smaller down  
Here on the ground  
You're falling down  
Falling down, falling down  
Falling down, falling down  
Falling downSomeone's falling down  
Falling down, falling down  
Falling down, falling down  
Falling down
