

You Belong With Me

Butch Walker

You're on the phone with your boyfriend, he's upset
He's going off about something that you said
He doesn't get your humor like I do
 , it's a typical Tuesday night
I'm listening to the kind of music no body likes
And he'll never know your story like I do But she wears shortskirts, I wear t-shirts
 he's team captain and I'm on the bleachers
Dreaming about the day when you'll wake up and find
That what you're lookin' for was here the whole time If you could see that I'm the one who understands you
 Been here all along so why can't you see?
 You belong with me
You belong with me Walkin' the streets with you in your cut off jeans
 I can't help thinkin this is how it ought to be
 Laughing on the park bench thinkin to myself
Hey isn't this easy? And you've got a smile that could light up this whole town
 I haven't seen it in a while, since he brought you down
 You say you find I know you better than that
Hey, Whatcha doing with a guy like that? He wears high tops, I wear sneakers
 he's team captain and I'm on the bleachers
Dreaming bout the day when you'll wake up and find
That what you're looking for has been here the whole time If you could see that I'm the one who understands you
 Been here all along so why can't you see?
 You belong with me Standin by, just waiting at your back door
 All this time how could you not know baby?
 You belong with me
You belong with me Oh I remember driving to your house in the middle of the night
 I'm the one who makes you laugh when you know you're about to cry
 I know your favorite songs and you tell me about your dreams
I think I know where you belong. I think I know it's with me. if you could see that I'm the one who understand
 you?
 Been here all along so why can't you see?
 You belong with me Standing by just waiting at your back door
 All this time how could you not know baby
 You belong with me
 You belong with me
 You belong with me
 You belong with me
