

# Few and Far Between

## 10,000 Maniacs

Times are far between and few I bet  
We can look upon our lives without regret  
Of all the things I have done  
You think I'm proud of everyone  
Without exception  
'Til you make your peace with yesterday  
Never build a future I swear by what I say  
Whatever penance you do  
Decide what it's worth to you  
And then respect it  
However long it will take  
To weather your mistakes  
Why not accept it?  
My hands for now are tied  
I'm a body frozen, I'm a will that's paralyzed  
When will you ever set aside your pain and misery?  
No matter how I beg, no matter how I wish or plead  
You'll never be more than alive  
You'll never do more than survive  
Until you expect it  
Do you want to build a world with our lives?  
You better soon decide  
Or you can forget it  
My hands for now are tied  
I'm a body frozen, I'm a will that's paralyzed  
'Til you drop that heavy baggage you're dragging behind  
There won't be room for us to both go this ride
