

I Wish I Were In Love Again

Joni Mitchell

The sleepless nights
The daily fights
The quick toboggan when you reach the heights
I miss the kisses and I miss the bites
I wish I were in love againThe broken dates
The endless waits
The lovely loving and the hateful hates
The conversations with the flying plates
I wish I were in love againNo more pain
No, no more strain
Now I'm sane
But I'd rather be punch drunkThe flying fur of cat and cur
The fine mismatching of a him and her
I've learned my lesson
But I wish I were in love againThe furtive sigh
The blackened eye
The words I love you 'til the day I die
The self-deception that believes that lie
I wish I were in love againWhen love congeals
It soon reveals
The faint aroma of performing seals
The double-crossing of a pair of heels
I wish I were in love againNo more care
No, no despair
Now I'm all there
But I'd rather be punch drunkBelieve me sir, I much prefer
The classic battle of a him and her
I don't like quiet and I wish I were
In love again
In love again
