

# Give Me Time

**Billy MacKenzie**

There's something that I've got to say

It can't wait until tomorrow

A whisper stays beneath my breath

You know it's hard to swallow

I follow you inside my mind

A neighbourhood's no stranger

Loving you could be sublimeBut it's all wrapped up in dangerGive me time

I've been around the world trying to find myself

And I'm not going to go with someone else

Come on and be mine

Come on be mine
