

Stay the Night

IMx

Ooh, ooh baby
Immature's back, back, back
Ooh, ooh baby, baby, ooh, ooh baby
Rome, LDB and Bat
You wanna get with me tonight, oohBaby, tryin' me, givin' me all your love
I will never do you wrong
Baby, won't you let down your guard
Then maybe we can go real farOoh, ooh baby
Say you wanna stay the night
You know you got a brother high
I'll come and pick you up in my ride
Ooh, ooh baby, baby
Ooh, ooh baby
Say you wanna stay the night
You wanna get with me tonight
I'll come and pick you up in my ride
Ooh, ooh baby, babyBaby, I'll be there to get you around one
So we can go chill and have some fun
Baby, let's cuddle 'til the sun comes up
And baby, you know that I love you so muchOoh, ooh baby

You didn't know what's platinum status
We can move from the front to the back
Watch me make you feel like that
Make the moves then break the rules
