

Hey Love (feat. Miss B)

Shaggy

Evelyn, Sharon, Cindy, Jenar, Tyra, SimoneHey love, can I get a rain check?

Just twenty five I'm not ready yet

Hey love let's make a deal

Give me some time I got a few hearts to steal

Hey love got more grounds to gain

Can't get stuck with a ball and a chain

Hey love I need to be sure

Come back and see me in two years or more

I remember as a kid I used to dream

I had a big crush on Sandra's kid sister Jean

She was in love with Dwayne

It's been so many years but I still feel the pain

What about the girl across the street?

Took the same bus I use to reserve her seat

But she would just sit with her friends

And they all talk about guys in bimmers and Benz

(Seem like my luck took a slide)

When Shorty came along and stood by my side

I couldn't give her much but she stayed

Now I'm hittin' all the charts its so easy gettin' laid

Living in style I'm gettin' paid

Hookin' up my peeps with the millions I've made

Now I'm havin' girl who I knew in first grade

Now I'm kinda feelin' like my Shorty's gettin' played

So I'm beggin' you

Hey love can I get a rain check?

Just twenty I'm not ready yet

Hey love let's make a deal

Give me some time I got a few hearts to steal

Hey love got more grounds to gain

Can't get stuck with a ball and a chain

Hey love I need to be sure

Come back and see me in two years or moreI wasn't popular in school I wasn't popular in sports

All the girls I love, loved the guys on the court

I feel like I been cheated of my youth

'Cause back in the days braces weren't so cute

Girls used to laugh at my suit

Now I got models in bed knockin' bootsHey love can I get a rain check?

Just twenty I'm not ready yet

Hey love let's make a deal
Give me some time I got a few hearts to steal
Hey love got more grounds to gain
Can't get stuck with a ball and a chain
Hey love I need to be sure
Come back and see me in two years or more
Hey love I remember as a kid I used to dream
I had a big crush on Sandra's kid sister Jean
She was in love with Dwayne
It's been so many years but I still feel the pain
What about the girl across the street?
