

# Live For Today

## Bo Donaldson & The Heywoods

Sittin' in my room staring at the wall  
Wonderin' about the meaning of it all  
Why is it this thing called life  
Has got me goin' crazy?  
So I open up your word and let it speak to me  
The purpose and the plan that you've designed  
Is clear to see and I believe  
I'm gonna live for today  
I'm gonna follow in your way  
I'm gonna let my little light shine  
Like there's no tomorrow  
I won't worry about the past  
I know my future is intact  
So I'll choose to live my life one way

I'm gonna live it for today  
You told me not to worry about what lies ahead  
So I am gonna focus on today instead  
Making every moment count and counting  
Every single blessing  
I'm gonna set my mind on the  
Here and the now  
This is what I want my life to be about  
And this is how  
My oh, so crazy life  
It's got me spinnin' round and round  
Hanging upside down, takin' one step at a time  
Holding your hand all the way and it'll be okay
