

# War

## Lenny Kravitz

Cultivate a war breed  
Get the head your soul needs  
Crystallice at light speed  
Dis the lies that they feed  
Cultivate a war breed  
Get the head your soul needs  
Crystallice at light speed  
Dis the lies that they feed, that they feed  
We're burning out of control  
We're burning out of control  
We're burning out of control  
We're burning out of control  
War a state of mind  
War our hearts are blind  
War is nature dead  
War, war  
Holy war, tears of man drop your front baby  
Obey the command  
Holy war, tears of man drop your front baby  
Obey my command  
Split the lip that dope feeds  
Exterminate the bad seed  
Tread the path that monks breathe  
Ride the horse that runs free, that runs free  
We're burning out of control  
We're burning out of control  
We're burning out of control  
We're burning out of control  
War a state of mind  
War our hearts are blind  
War is nature dead  
War, war  
Holy war, tears of man drop your front baby  
Obey the command  
Holy war, tears of man drop your front baby  
Obey my command  
Lies, drugs, hate, guns  
God, fear, flies, sex  
Lies, drugs, hate, guns

God, fear, flies, sex  
We're burning out of control  
We're burning out of control  
We're burning out of control  
We're burning out of control  
War a state of mind  
War our hearts are blind  
War is nature dead  
War, war  
Holy war, tears of man drop your front baby  
Obey the command  
Holy war, tears of man drop your front baby  
Obey my command
