I'm singing :
"Believe me, I'm not lost.
Of course not!"Pre Chorus 1
Will you take care?
Will you be there?
Hold me gently?
Be my guide?Chorus
Let it be, you will see,
Things appear so much better in the light now
If you shine a light now
Can you shine a little light?Verse 2
Forgiven for your loss
I travel the world, I must crossPre Chorus 2
Maybe somehow
I can grow now
Won't be long now
Live my life
