

# What's On Your Mind (Pure Energy) [Re-Recorded]

## Information Society

I want to know  
What you're thinking  
There are some things you can't hide  
I want to know  
What you're feeling  
Tell me what's on you mindHere i am in silence,  
Looking round without a clue  
I find myself along again  
All alone with you  
I can see behind your eyes,  
The things that i don't know  
If you hide away from me,  
How can our love grow?I want to know  
What you're thinking  
There are some things you can't hide  
I want to know  
What you're feeling  
Tell me what's on your mindI know i could break you down,  
But what good would it do?  
I could surely never know  
That what you say is true  
Here i am in silence,  
It's a game i have to play  
You and i in silence  
With nothing else to sayI want to know  
What you're thinking  
There are some things you can't hide  
I want to know  
What you're feeling  
Tell me what's on your mindI want to know  
What you're thinking  
There are some things you can't hide  
I want to know  
What you're feeling  
Tell me what's on your mindI want to know  
What you're thinking  
There are some things you can't hide  
I want to know  
What you're feeling

Tell me what's on your mind
