Drexel U

The Huntingtons

Saw you walkin' over on South Street
Bored, lookin' for something new
Well, I know the somethin' that you might think
Is the perfect thing to doYeah, we're goin' to Drexel U
'Cause it's the perfect thing to do
And we got nowhere else to go to
So we're goin' to Drexel U, heyIf you don't wanna, you don't have to go
But I know you'll like it a lot
And nobody bothers anybody there, no
It's the perfect place to rockYeah, we're goin' to Drexel U
'Cause it's the perfect thing to do
And we got nowhere else to go to
So we're goin' to Drexel U, hey
