Lay Your Love On Me

BWO

You, me, inseparable when we touch
When we kiss, I'm in Heaven baby
Ain't this incredible, I can see
Two can be, one together baby
Show me a breathless kiss
Baby nobody else
Gets to woo me like this
Stay till the mornin'
Love's an emotion, brings a girl to her knees
A crash and commotion, like a roar in the breeze
Nothing's as sexy as the power of the birds and bees
Lay your love on me
(Love on)
Head rush, entanglin'
Get me off with your love, let me in oh baby
Now we're uncoverin', don't you know
I'm accused, I'm the center baby
Show me a breathless kiss
Baby nobody else
Gets me goin' like this

Stay till the mornin'
Love's an emotion, brings a girl to her knees
A crash and commotion, like a roar in the breeze
Nothing's as sexy as the power of the birds and bees
Lay your love on me, lay your love on me
(Love on)
Love's an emotion, brings a girl to her knees
A crash and commotion, like a roar in the breeze
Nothing's as sexy as the power of the birds and bees
When I'm stretched out, my body's on the floor
Lovin' the feeling, gotta get me some more
(Lay your love on me)
When I'm stretched out, my body's on the floor
Lovin' the feeling, gotta get me some more
(Lay your love)
Love's an emotion, brings a girl to her knees
A crash and commotion, like a roar in the breeze
Love is as sexy as the power of the birds and bees

Lay your love on me, lay your love on me
