Bum-rushed

Stemm

You want a piece of this
You want a piece of this
You want a piece of this
You don't want none of this
You want a piece of this
You want a piece of this
You want a piece of this
You don't want none of this
So you say you want to step in the ring with me
Uh uh no way believe me when I say
The only punch you got is Kool-Aid
Fists are flyin I know your cryin
My words are sharp I ripped your chest apart
Cut deep down to your heart
You fall apart and now your dyin
When you look up I'm the last man standin Handin be reprimanding
You tryin to come threw on me Can't you see
There he goes there he goes there goes another one
That stepped up down with the quickness
Today is tomorrow
You worried about yesterday
Not a day goes by
You think of me
Tears fall from your eyes
Cause you can't see me
Give a snap give a slap Yo it's a trap
Get'em of my back as I grab my bat
Yes ya'll Skungks got my back
They'll hold'em down I'll hang'em like my nut sac
They say hold me down but they can't hold me down
Cause I don't fuck around and I ain't no fuckin clown
Don't try it you don't phase me
Like Nas I'm half man half amazin crazy that's me insane
And Yo you betta see and Yo you betta believe
I can't believe anything you say
So go ahead and say it cause you'll say it any way
Today is tomorrow
You worried about yesterday
Not a day goes by

You think of me
Tears fall from your eyes
Cause you can't see me
Crawlin from the corner try and get away
You're not getting far cause I'm in the way
Open your eyes you little punk bitch
Guess whose next time for the next
I release my fist as I blast on you sucka
Don't try again you stupid motha fucka
I left your heart lien on the floor
As I kicked your ass like a little whore
You want a piece of this
You want a piece of this
You want a piece of this
You don't want none of this
Today is tomorrow
You worried about yesterday
Not a day goes by
You think of me
Tears fall from your eyes
Cause you can't see me
