

# Long Dumb Road

## Mean Jeans

When I get that funky feelin'  
Long dumb road for me  
I can't help but get to drinkin'  
Long dumb road for me  
Baby it's a long dumb road for me  
If I'm ever gonna learn  
A long dumb road for me  
Man they tried to make me listen  
But I had my headphones on  
I forgot to learn my lesson  
Do you have any Grey Poupon? Baby it's a long dumb road for me  
If I'm ever gonna learn  
A long dumb road for me  
All I ever wanna do  
Is run around the city with you  
I'm never gonna get a clue  
I guess I'm never gonna
