

Have You Seen Her Face

The Byrds

Have you seen her face?
With her eyes reflect the colors in the sky
On one familiar place
To be swept into
Whenever she's close by
Makes me wonder whyRun by, don't turn back
Can't hide from the look in her eyeMust be the way she walks
A style made up to capture all she needs
No time to spend on this talk
If your luck runs dry
She might see you tonight
Everything insideRun by, don't turn back
Can't hide from the look in her eyeRun by, don't turn back
Can't hide from the look in her eyeYou'll find you're locked in her spell
All the sights and sounds
Your senses will be found
And only time will tell
How much love can be to wait so patiently
Wait and seeRun by, don't turn back
Can't hide from the look in her eye
