

Same Party

Red Cafe

featuring Fabolous and King Los
All my hoes at the same party, at the same party,
All my hoes at the same party, at the same party,
They my hoes, they my hoes, they my hoes and ain't my hoes,
They my hoes, they my hoes, they my hoes and ain't my hoes.
Send it in a bad ass bitch last night,
Wouldn't be surprise if it ain't my hoe. You saw my bitch Keysha, she was off from Marley,
Marley smoked that Keysha, he came at the party.
Docking my bitch Harley, she bad as shit but be bagging,
Tank top, heels on, bad as shit in them leggings.
I'm like that's the shit I don't like,
They hang around to be posted up.
Acting bad and be broke as fuck,
I tell her suck a dick, I can't roll a blunt.
One bitch texts "I see you",
I'm like "bitch, the whole club see me"
I don't know if she mad or not,
I'll see later when she suck to me.
Got a good girl, nasty bitch,
Got red bone, I got a ratchet bitch,
Got a hood red, got a classy bitch,
She got less boat in my snatch, bitch.
She go hard, she might smack a bitch,
My hoe's bout that action, bitch.
I swear the hoe and I met the bitch,
I back your hoe to be asking bitch,
Cause all my hoes at the same party, at the same party,
All my hoes at the same party, at the same party,
They my hoes, they my hoes, they my hoes and ain't my hoes,
They my hoes, they my hoes, they my hoes and ain't my hoes.
Send it in a bad ass bitch last night,
Wouldn't be surprise if it ain't my hoe. Cause all my hoes at the same party, at the same party,
All my hoes at the same party, at the same party,
They my hoes, they my hoes, they my hoes and ain't my hoes,
They my hoes, they my hoes, they my hoes and ain't my hoes.
Send it in a bad ass bitch last night,
Wouldn't be surprise if it ain't my hoe.
There's some hoes in this house, trying to fuck,
And it's all good, 'cause they fucking us,
It's that bad boy, them bad bitches they fuck with us,

Them hoes from Amsterdam I'm skipping them, double dutch.
Wait, there go Veronica, she blow like harmonica,
She was acting bullshit, then I told her I'm signing her.
Mmm, that girl got nasty, pull her hair like Cassie,
Wanna role play when I'm shagging her, in the taxi I talk trashy.
I got young hoes, old hoes, never been a nigger with no hoes,
I got hella hoes, last few weeks trying to fuck around when I got around better hoes.
Might sound cliché, but cash rules, I act fool,
I shit on hoes, no bathroom, sex, drugs and tattoos. All my hoes at the same party, at the same party,
All my hoes at the same party, at the same party,
They my hoes, they my hoes, they my hoes and ain't my hoes,
They my hoes, they my hoes, they my hoes and ain't my hoes.
Send it in a bad ass bitch last night,
Wouldn't be surprise if it ain't my hoe. Cause all my hoes at the same party, at the same party,
All my hoes at the same party, at the same party,
They my hoes, they my hoes, they my hoes and ain't my hoes,
They my hoes, they my hoes, they my hoes and ain't my hoes.
Send it in a bad ass bitch last night,
Wouldn't be surprise if it ain't my hoe. All my hoes got something in common,
All my hoes are in the club that I'm in,
Right now I'm looking for something to fuck,
I know my hoes got perfect timing.
Doggy, doggy, diamond, innie, Minnie, miny, hoe,
I'm just picking on mommy, though,
You can't be amazing, nigger, with a minor hoe.
I say all my hoes be thinking I want 'em,
Quick trying to remind you, hoe,
How many times imma lose your number
And you come and find me, hoe.
All my hoes be bad as shit,
All they ask is be fat as shit.
She wanna be happy, I take her home,
All my hoes love me mad as shit.
Stop twitting, twit Grammi, hoping that they get back to me.
Might even go fuck one of you lames,
Just so they can get back to me.
Fell my hoes got DUYs, these cops have to know to call my phone,
Said they came from the same party, they blame me, 'cause they all my hoes. All my hoes at the same party, at
the same party,
All my hoes at the same party, at the same party,
They my hoes, they my hoes, they my hoes and ain't my hoes,
They my hoes, they my hoes, they my hoes and ain't my hoes.
Send it in a bad ass bitch last night,
Wouldn't be surprise if it ain't my hoe. Cause all my hoes at the same party, at the same party,
All my hoes at the same party, at the same party,

They my hoes, they my hoes, they my hoes and ain't my hoes,

They my hoes, they my hoes, they my hoes and ain't my hoes.

Send it in a bad ass bitch last night,

Wouldn't be surprise if it ain't my hoe.
