

Just Another Day

[Sam Cooke](#)

Just another day that my Lord, my Lord has kept me, yes it is
Just another day that I've been in my saviour's care, yes it is
Wanna say he threw, he threw his loving arms all around me, yes he did
And there I found, I found peace and joy right there Another day, I've been working in Gods vineyard, oh yeah
Another day, you know he kept me by his side, oh yeah
He said I know just how hard you've been laboring, mm hmm
He said I want you to sit down and rest a while Well, when I get on home in my God's kingdom, oh yeah
I'm gonna sit down, I'm gonna sit down all around the throne, oh Lord
And he'll be there, be there with arms spread wide open, yes he will
I'm gonna hear him say, my servant welcome home, oh Lord Another day, I've been working in Gods vineyards,
yes I have
Another day, you know he kept me by his side, oh yeah
He said I know just how hard you've been laboring, mm hmm
He said I want you to sit down and rest a while
