

# X-T-C

## Accept

I just don't believe  
How I keep a runnin'  
Women keep me lovinn'  
Give me all their funnin'  
Rock of life seems like a hell of a load  
Like a hell of a load  
Crazy horse rockin' somehow I belong  
Here in the dark of the night  
When pushin' comes to showin' you never know  
How much a man like me can take  
Rock of life seems like a hell of a load  
(Rock) - rock of life  
You give me just another - (just another)  
Just another X-T-C  
Rats in my callar somehow I belong hore  
In the back of the street  
Switch blade passion  
Why don't you see it for the final scene  
(Rock) - rock of life -----  
It gives me just another - (just another)  
Just another X-T-C  
(Just another) \*2  
(Just another) - X-T-C, yeah !  
Aaah - It gives me just another - (X-T-C)  
It gives me just another - (X-T-C)  
X-T-C, babe  
It gives me just another - (X-T-C)  
When you hold on  
It gives me just a - just a - just another (X-T-C)  
I need (Your X-T-C)  
Need your X-T-C, yeah - when you hold on  
When you hold on - (to my X-T-C)  
You gotta feel your X-T-C ....
