

Baby One More Time (Glee Cast Version)

Glee Cast

Oh baby, baby
How was I supposed to know
That somethin' wasn't right? Oh baby, baby
I shouldn't have let you go
And now you're outta sight Show me how you want it to be
Tell me baby 'cause I need to know now
Oh because My loneliness is killin' me
I must confess I still believe
When I'm not with you I lose my mind
Give me a sign, hit me baby one more time Oh baby, baby
The reason I breathe is you
Now, boy you got me blinded I bet you baby
There's nothing that I would not do, no
It's not the way I planned it Show me how you want it to be
Tell me baby 'cause I need to know now
Oh because My loneliness is killin' me
I must confess I still believe
When I'm not with you I lose my mind
Give me a sign, hit me baby one more time Oh baby baby, oh baby baby
Oh baby, baby
How was I supposed to know
Oh baby, baby
I shouldn't have let you go I must confess that my loneliness is killing me now
Don't you know I still believe?
That you will be here and give me a sign
Hit me baby one more time My loneliness is killin' me
I must confess I still believe
When I'm not with you I lose my mind
Give me a sign, hit me baby one more time I must confess that my loneliness is killing me now
Don't you know I still believe?
That you will be here and give me a sign
Hit me baby one more time
