Carry You

Union J

Don't ever say you're lonely
Just lay your problems on me
And I'll be waiting there for you
The stars can be so blinding
When you get tired of fighting
You know the one you can look toWhen the vision you have gets blurry
You don't have to worry, I'll be your eyes
It's the least I can do, cause when I fell, you pulled me through
So you know thatI'll carry you, I'll carry you, I'll carry you
So you know that
I'll carry you, I'll carry you, I'll carry youI know it's been a long night, but now I'm here it's alright
I don't mind my walking in your shoes
We'll take each step together, til you come back to center
You know that I know the real youAnd when the vision you have gets blurry
You don't have to worry, I'll be your eyes
That's the least I can do, cause when I fell, you pulled me through
So you know thatI'll carry you, I'll carry you, I'll carry you
So you know that
I'll carry you, I'll carry you, I'll carry youLike you've been running for hours and cant catch your breath
The demons are screaming so loud in your head
You're tired you're broken you're cut and you're bruised
But nothings too heavy just hold on, Ill carry youIll carry you[Instrumental]So you know thatI'll carry you, I'll carry you, I'll carry you
So you know that
I'll carry you, I'll carry you, I'll carry you
So you know that
I'll carry you, I'll carry you, I'll carry you
