

# Stand Back

## No Slogan

No one looked as I walked by  
Just an invitation would have been just fine  
Said no to him again and again  
First he took my heart then he ran  
No one knows how I feel  
What I say unless you read between my lines  
One man walked away from me  
First he took my hand take me home  
Stand back stand back  
In the middle of my room  
I did not hear from you  
It's alright it's alright  
To be standing in a line  
Standing in a line  
I would cry  
Do not turn away my friend  
Like a willow I can bend  
No man calls my name  
No man came  
So I walked on down away from you  
Maybe your attention was more  
Than you could do  
One man did not call  
He asked me for my love  
And that was all  
Stand back stand back  
In the middle of my room  
I did not hear from you  
It's alright it's alright  
To be standing in a line  
Standing in a line  
Standing in a line  
So I walked on down the line  
Away from you  
Maybe your attention was more  
Than I could do  
One man did not call  
Well he asked me for my love  
That was all

Standback  
Standback  
You do  
You do  
So I walked on down the line away from you  
Maby your attention was more than I could do  
One man did not call  
Well  
He asked me for my love  
That was all  
Standback  
Standback  
Well  
I need a little sympathy  
Well  
I need a little sympathy  
Well  
I need a little sympathiy. I need to be standing in  
Standback  
I need to be standing in  
Standback  
I need to be standing in  
Standback  
Why don't you take me home? Why don't you take me home? Standback
