Hooked On You

Bread

Baby if you only knew
Everything I need I get from you
I'll never let you out of sight
I need you through the day and night, baby
Always there to see me through
Darlin' don't you know I'm hooked on youHabits I've had before
But never came back so much for more
I need your lovin' every day
I couldn't live without it, no way
And everybody knows it's true
Everybody knows I'm hooked on youWell I've never been dependin'
And never thought I would
Oh but now I find that I don't mind,
The change is for the good
So don't be feelin' sorry,
For the freedom that I lost
'cause I found out what I'm missin',
And I'm glad to pay the costNow that I've tasted you
I know nobody else will ever do
I'm glad that I can say you're mine
I love ya 'cause your sugar's so fine
And no one else'll ever do
There's nothin' like bein' hooked on youAlways there to see me through
Baby that's why I'm hooked on you
