

Shelf

Days of the New

She's such a flirt and I am the lonely heart
Give it a chance for our love to start
But you'll never see if you don't give me a shot
To show you what I've got
But it's too late to pretend
You know me better than I know myself
Don't take my heart and put it on a shelf
Always someone else
The next guy who will make your cold heart melt
I'm gonna give my love to someone else
I held your hand, it felt like a movie
I made some plans but you were already moving on now
I'm stuck under a rainy cloud but you don't seem to care
But it's alright 'cause it's too late to pretend
You know me better than I know myself
Don't take my heart and put it on a shelf, yeah
Always someone else
The next guy who will make your cold heart melt
I'm gonna give my love to someone else
I'm tired of wasting all my time
My heart is hanging on the line
Is it me girl or someone else?
If you sweep it off the shelf
Too late to pretend
You know me better than I know myself
Don't take my heart and put it on a shelf
Everybody!
Always someone else
The next guy who will make your cold heart melt
I'm gonna give my love to someone else, yeah
