

# Made

## The Wanted

You could hurt with a word  
You could change my life  
You could tell me the truth  
It would cut like a knife But I won't let go  
But I won't let go  
But I won't let go You could fall, hit the wall  
You could lose your way  
You could lose, you could bruise  
Spend it all in a day But I won't let go  
But I won't let go  
But I won't let go 'Cause if I had to save someone  
I'd still save you  
And if I had to pray for someone  
I'd pray for you 'Cause you know we are  
Made for each other  
Can't take that away  
Made for each other Like sunshine and day  
Made for each other  
I'm here to stay  
'Cause you know we are Made for each other  
I'm made for you  
Made for each other Like stars and the moon  
Made for each other  
We'll see it through  
'Cause you know we are made They could take, they could hate  
They could break our hearts  
They can try all they want Never tear us apart  
We will not let go  
We will not let go  
We will not let go 'Cause if I had to save someone  
I'd still save you  
And if I had to pray for someone  
I'd pray for you 'Cause you know we are  
Made for each other  
Can't take that away  
Made for each other Like sunshine and day  
Made for each other  
I'm here to stay  
'Cause you know we are Made for each other

I'm made for you  
Made for each other Like stars and the moon  
Made for each other  
We'll see it through 'Cause you know we are made  
You know we are made  
Our love it won't fade  
We just gotta be brave  
You know we are made
