

Made In England

The Shires

You can bet it's gonna rain
As I'm stepping off the plane
If I had the sun, sea and the sand
Wherever I've been
When I see those grey skies
So beautiful
It's good enough for me I only want a beer
If it's poured in a pint
And I'm only gonna drink it
If we're drinking all night
Cause I've seen them
Sipping their wine
In Paris and Italy
But it's my country pearls
That I love
Yeah, they're good enough for me
Cause I'm made in England
And I'm proud to be
From this little island
It's more than home to me
Yes, I'm made in England
Nowhere I'd rather be
Rainy days and milk in my tea
Is good enough for me The taste of vinegar and salt on my lips, oh yeah
There's nothing like a Friday night fish and chips
Sitting out, there in a coat, on a cold pebble beach
Look at those grey skies
They're so beautiful
It's good enough for me
Cause I'm made in England
And I'm proud to be
From this little island
It's more than home to me
Yes, I'm made in England
Nowhere I'd rather be
Rainy days and milk in my tea
Is good enough for me
Is good enough for me
