

# Turn Around

**Diana Ross**

(malvina reynolds/allan greene/harry belafonte)Where are you going my little one, little one

Where are you going my baby my own

Turn around and you're two

Turn around and you're four

Turn around and you're a young girl

Going out of the doorTurn around

Turn around

Turn around and you're a young girl

Going out of the doorWhere are you going my little one, little one

Little dirndls and petticoats, where are you know

Turn around and you're tiny

Turn around and you're grown

Turn around and you're a young wife

With babes of your ownTurn around

Turn around

Turn around and you're a young wife

With babes of your ownTurn around

Turn around

Turn around and you're a young wife

Turn around and you're a young wife

With babes of your own
