Love That Feeling

Puggy

I never really had to be told
She only had to take off her clothes
She looked me in the eye and told me honey
You don't wanna go home, oh oh ohYou've got to love that feeling
You hold so dear
It's like coming out of the cold
You've got to love that feeling
When someone's near
Oh, some things you don't have to be toldAnd I know [x3]
And I know that you like it too
(You can like it too
She can like it too
We can like it too)You're sweeter than the honey you gave me
That you gave
You always think of me when I'm lonely
All alone
You, your friend I hardly knew
Now know me harder
That is trueYou've got to love that feeling
You hold so dear
It's like coming out of the cold
You've got to love that feeling
When someone's near
Oh, some things you don't have to be told
And I know [x3]
And I know that you like it tooYou've got to
And I know (love that feeling)And I know that you like it too
