

Only Over You (2016 Remastered)

Fleetwood Mac

I'm out of my mind
And it's only over you
I'm out of my mind
And it's only over you
People think I'm crazy But they don't know
Thought love had failed me
But now, they're watching it grow
Angel, please don't go
I miss you when you're gone
They say I'm a silly girl But I'm not a fool
People say they know me
But they don't see
My heart's your future
Your future is me
Angel, please don't go
I miss you when you're gone
They say I'm a silly girl But I'm not a fool
I'm out of my mind
And it's only over you
I'm out of my mind
And it's only over you
