

Happy When (Chick Tune)

Feel Never Real

I sit here wondering how this all began
I think about everything I could have done
It's all the same
Everytime she gives me a chance
I feel, Im re-arranged
So Heaven help me now
Cause I'm in hell
And for those times I never knew
Well honey i've felt a lot of things
Only if you just only knew
And for those wasted lies
Oh,Honey I'm sorry Im the person that I am
Once you never knew
So please forgive me
So heaven help me now
cause im in hell
and you're the only one that knows me this well
And I'll always be there when you need me
Darlin' I'm here
And for those times you never cried out
Waited for me
All the time
And it's always on my mind [x3]
And for those times I never knew
Well honey I've felt a lot of things
only if you just only knew
And for those wasted lies
Oh honey I'm sorry I'm the person that I am once you never knew
So please forgive me
You walked out
I sit here
And I'm drinkin' my last beer
Not much left
Cept' a photo left of you and me
And we sure look happy [happy[x9]
