I'd Rather Love You

Charley Pride

If tonight should be our last night together
I'm not sorry that we fell in love at all
If tomorrow sun should find me hurtin' for you I know
That the price for loving you would still be smallFor I'd never know the thrill of your sweet lips
And the chills I get just knowing that you're mine
'Cause I've spent my life not knowing what real love is, oh no
Though I'd be hurtin', I'm still certain
That I'd rather love and lose you than never know your love at allLord, I'd never know the thrill of your sweet lips
And the chills I get just knowing that you're mine
'Cause I've spent my life not knowing what real love is, oh no
Though I'd be hurtin', I'm still certain
That I'd rather love and lose you than never know your love at all
Yes, I'd rather love and lose you than never know your love at all
