

# Chew Toy (Toy Selectah Remix)

## Bloodhound Gang

Wuh uh oh wuh uh oh  
Wuh uh oh wuh uh oh  
Wuh uh oh wuh uh oh  
Wuh uh oh wuh uh oh  
Can't buy love so let's just make it  
Jealous of your dog cause he's seen you naked  
I'll sniff your rear  
If I get my paws on ya  
Think that's weird  
Wait till ya hear how we're gonna  
Role play, the color purple  
Do shit you'd read  
In Trent Reznors journal  
Fuck to the sound of a zombie choir  
Till your private parts slip like they've been in a fire  
Turn on but it feels so wrong  
Like when you relate to a Nickelback song  
Inhibition's gone with the blind strong  
But you don't mind doing it with the lights on  
Cause I bet the kind of love that you'd make to a man  
Would look good as a mural on my uncles van  
He rents to own like me his cologne  
I feel like a wolf with a saxophone  
You make me looney tunes  
I hallucinate  
When I see you  
I see steak  
Smart, nod read me lips  
Like when a black running back knows how great he is  
With an amazing wind back at the stadium  
Full of mother fuckers that regret trading him  
But I digress why's your dress not on the floor  
Thighs and breast make the best fried chicken  
But yours made the bucket list  
Don't know what the fuck that is  
Sucking like a dying wish, wish I was dying it  
You on top of me like a fraction  
The ten that's over eighteen can't do the math and  
Cram time like we got behind 'school that butt like it's Columbine

So fine like Charlie Browns hair  
Let me get you over here and in your underwear  
Hit that pussy at home like a predator drone  
Now I feel like a wolf with a saxophone  
You make me loony tunes  
I hallucinate  
When I see you  
I see steak  
My jaw hit the floor as someone played a trumpet  
My tongue rolled out now aint that some shit  
Heard a fog horn and my heart popped out  
It was shaped like a heart what the fuck is that about  
Wuh uh oh wuh uh oh  
Wuh uh oh wuh uh oh  
Wuh uh oh wuh uh oh  
Wuh uh oh wuh uh oh  
Wuh uh oh wuh uh oh  
Wuh uh oh wuh uh oh  
Wuh uh oh wuh uh oh  
Wuh uh oh wuh uh oh  
You make me loony tunes  
I hallucinate  
When I see you  
I see steak
