

Don't Let Me Be Misunderstood

Joe Cocker

Baby, do you understand me now?
Sometimes I get a little mad
Don't you know no one alive will always be an angel
When things go wrong you're bound to see some bad But I'm just a soul whose intentions are good
Oh Lord, please don't let me be misunderstood You know sometimes, I'm so carefree
With a joy that's hard to hide
Then sometimes again it seems all I have is worry
Then your bound to see my other side Oh but I'm just a soul whose intentions are good
Oh Lord, please don't let me be misunderstood If I seem edgy I want you to know
I didn't mean to take it out on you
Life has it's problems, I've got my share
But that's one thing I didn't mean to do, fall in love
'Cause I'm in love with you
Yes I do Baby do you understand me now?
That sometimes I get a little mad
Don't you know no one alive will always be an angel?
When things go wrong you're bound to see some bad Well I'm just a soul whose intentions are good
Oh Lord, please don't let me be misunderstood
Don't let me be misunderstood
Oh baby, don't let me be
We're done
