Never Far Away

Take 5

Everything I do is all done for you
Lady, I'm yours
And everywhere I go, you're always on my mind
You're all I adore
And I'll go out of my way
Just to assure that our love is yours, I'm yoursGirl, I'm never far away, I'll be right there
(Right there)
To keep you nice and warm
I'm rushing right homeGirl, I'm never far away, I'll be right there
(Right there)
To protect you from the storms
I'm rushing right home
Girl, I'll be there, I'll be right thereI don't need you to say that I love you
A million times a day
Just the little things I do, all are done for you
That's how I display
(Love)
And I'll go out of my way
Just to assure you baby, that our love is yours, I'm yoursGirl I'm never far away, I'll be right there
(Right there)
To keep you nice and warm
(Girl, I'll keep you nice and warm)
(You know, I'll keep you nice and warm)
(You know, I'll keep you nice and warm)Girl, I'm never far away, I'll be right there
(I'll be right there)
To protect you from the storms
I'm rushing right home
Girl, I'll be there, I'll be right thereYou don't have to go and check the pager
Check the phone and search my pants to figure me out
'Cuz I'm an honest man, a real man, a strong man
And baby girl, there is no doubt, my love's real
As real as it comesEven though we are millions of miles away from each other
I'm still right here, right here for you
(Here for you, here for you)
I could search a million years
And still, I wouldn't find anyone as beautiful as you
So rest assured, that I'll be yoursI'm never far away
(I'm rushing home baby, I'm comin' home baby)
I'm never far away

(I'm rushing home baby, home baby, home baby)
I'm never far away
(I'm rushing home baby, I'm comin' home baby)
I'm never far away
(I'm rushing home baby, home baby, home baby)I'm never far away
(I'm rushing home baby, I'm comin' home baby)
I'm never far away
(I'm rushing home baby, home baby, home baby)
I'm never, never, never, never far away
(I'm rushing home baby, I'm comin' home baby)
Never, never, never far away
Never far, never far, I'm never far away
(I'm rushing home baby, home baby, home baby)I'm never far away
(I'm rushing home baby, I'm comin' home baby)
I'm never far away
(I'm rushing home baby, home baby, home baby)
I'm never far away
(I'm rushing home baby, I'm comin' home baby)
I'm never far away
(I'm rushing home baby, home baby, home baby)I'm never far away
(I'm rushing home baby, I'm comin' home baby)
I'm never far away
(I'm rushing home baby, home baby, home baby)
I'm never, never, never, never far away
(I'm rushing home baby, I'm comin' home baby)
Never, never, never, never far away
Never far, never far, I'm never far away
(I'm rushing home baby, home baby, home baby)I'll be right there
