

# Bring the House Down

## American Juniors

Yeah yeah  
Oh yeah yeah As the night draws in let the game begin  
It's a groove thing  
Let your feet decide, gonna catch a ride  
Keep on movin' So let's go away  
The mood can't be that hard to reach  
The night will just take us there  
And all you gotta do is, all you gotta do is Bring the house down  
Raise the roof and get on the floor  
(House down, raise the roof, get on the floor) Let's bring the house down  
Really want to hear you shouting more, more, more  
(Really want to hear some more) Simply stay in bed with a sleepy head  
Doing nothing  
You can always try just to walk on  
But it will pull you in We're flying away  
We fall into this fantasy  
Where the groove will carry us on  
And all we gotta do is, all we gotta do is Bring the house down  
Raise the roof and get on the floor  
(House down, raise the roof, get on the floor) Let's bring the house down  
Really want to hear you shouting more, more, more  
(Really want to hear some more) Everybody do your thing  
Let's bring the house down  
Everybody spread your wings  
Let's bring the house down So let's go away  
The mood can't be that hard to reach  
The night will just take us there  
And all you gotta do is, all you gotta do is Bring the house down  
Raise the roof and get on the floor  
(House down, raise the roof, get on the floor) Let's bring the house down  
Really want to hear you shouting more, more, more  
(Really want to hear some more) Let's bring the house down  
Raise the roof and get on the floor  
(House down, raise the roof, get on the floor)  
(Yeah oh oh oh) Let's bring the house down  
Really want to hear you shouting more, more, more  
(More now)  
(Really want to hear some more) Bring the house down  
(Draws in let the game begin, yeah)

Raise the roof and get on the floor  
(House down, raise the roof, get on the floor)Let's bring the house down  
(Let your feet decide, gonna catch a ride, yeah)  
Really want to hear you shouting more, more, more  
(Yeah yeah yeah)  
So let's bring the house down
