Beautiful Pain

Jann Arden

Beautiful pain, beautiful hurt
Beautiful face, beautiful earth
And you my love, most lovely of all
Won't fallBeautiful heart, beautiful words
Beautiful loss, beautiful world
You my love, most lovely of all
Oh, you my love, most lovely of all
Won't fallWonderful days, wonderful sounds
Barely a breath it's heaven or hell
And you my love, most lovely of all
Oh, you my love, most lovely of all
Won't fallAnd you my love, most lovely of all
Oh, you my love, most lovely of all
Won't fallBeautiful pain
Beautiful pain
Beautiful pain
