

Did You No Wrong

Sex Pistols

I don't mind the things that you say
I don't even mind going out of my way
I try and do these things for you
Why should I do it? Our love is untrue
Well, I did you no wrong
[Incomprehensible] I did you no wrong
I ain't seen you off the screen
But those films are in my dreams
And I can't take more of you
The bog is no place to see your face
Can't you see I'm out of my head
Can't you see I'm a little insane
Can't you see I'm out of my head
Can't you see I'm living again
Going out of my head
Oh, I did you no wrong
Did you no wrong
Going out of my head, out of my head
No wrong
Did you no wrong
Going out of my head, out of my head
I ain't seen you off the screen
But those films are in my dreams
And I can't take more of you
The bog is no place to see your face
Oh, can't you see I'm out of my head
Oh, can't you see [Incomprehensible]
Oh, can't you see I'm out of my head
Oh, can't you see I'm living again
No wrong
Going out of my head, out of my head
Hey, did you no wrong
Did you no wrong
Going out of my head, out of my head
