Roll In My Sweet Baby's Arms (Remastered 95)

Leon Russell

Rollin' in my sweet baby's arms
Rollin' in my sweet baby's arms
I'll lay around this shack
'Til the mail train comes back
An' I'll roll in my sweet baby's armsI ain't gonna work on the railroad
(You ain't gonna work at all if you can help it)
So, I ain't gonna work on the farm
I'll lay around this shack
'Til the mail train comes back
An' I'll roll in my sweet baby's armsRollin' in my sweet baby's arms
Rollin' in my sweet baby's arms
I'll lay around this shack
'Til the mail train comes back
An' I'll roll in my sweet baby's armsMy mama was a beauty operator
Sister could sew and could mend
My daddy owned an interest in that old sorghum mill
Just-a watchin' all that money roll inRollin' in my sweet baby's arms
Rollin' in my sweet baby's arms
I'll lay around this shack
'Til the mail train comes back
An' I'll roll in my sweet baby's armsRollin' in my sweet baby's arms
Rollin' in my sweet baby's arms
I'll lay around this shack
'Til the mail train comes back
An' I'll roll in my sweet baby's armsRollin' in my sweet baby's arms
Rollin' in my sweet baby's arms
I'll lay around this shack
'Til the mail train comes back
An' I'll roll in my sweet baby's arms
