

Ages

Moonshine Blues

15 years of precious time behind us

7 years before our child is gone

Everything precariously balanced

The slightest press can turn it upside downAnd it took us ages

To create

And we fill up the pages

Take it down in a day

Take it down in a dayIn a day you smell eternal summer

In a day the winter had begun

In a day I became your lover

In the morning all the rest will be goneAnd it took us ages

To create

And we fill up the pages

Take it down in a day

Take it down in a day15 years of precious time behind us

7 years before our child is gone

Everything precariously balanced

The slightest press can turn it upside downAnd it took us ages

To create

And we fill up the pages

Take it down in a day

Take it down in a day
