

Nothing On Me

[Keith Richards](#)

You ain't got nothing on me, nothing on me
They laid it on too thick, they couldn't make it stick
They ain't got nothing on me
They ain't got nothing on me You know they laid another charge
That's why I'm still a large
No they got nothing on me, that's right You know they watch me like hawk
Yeah, they even took me for a walk
You know they tried to make me squawk
But they got nothing on me, no nothing on me
Not a thing They've gone through this before, baby
I can't do this no more
I'm walking out the door 'cause you've got nothing on me
Nothing on me
I don't resist arrest, I think it's for the best
You know
Because they've got nothing on me (not a thing) I was in-between, yeah
It's something unforeseen and I was squeaky clean
They ain't got nothing on me, ooh
Nothing on me
They got nothing
We've been through this before
Ya know, I can't do this no more
And I'm walking out the door
'Cause you got nothing on me
Nothing on me
No, nothing on me Ooh, baby, baby, hey they're shooting from the hip
And I'm gonna plead the fifth (nothing on me)
Nothing on me
