

Jagged (Queen Of The Damned OST)

Gary Numan

They say I'm unforgiven and I have to pay
Like I'm the demon resurrection
They say that I turn innocence to panic
But I don't care They say that my obsession is unholy
That I deviate from reason
They say I make you suffer for my sins
I hope you forgive me Do you want it? [Repeat: x1]
My desire I sink to my knees
Head in my hands
So now I'm just a shadow on their bleeding hearts
This is why the righteous never learn
I'm like a dead man hiding in the dark What do you need? [Repeat: x1] What have we become?
All that we could be?
Think of this as mercy, a small gift from me
What does a confession ever do
But take my guilt away Do you want it?
Do you want it?
My desire I Feel It Fall
I Feel It Fall From Me
I Feel It Fall Down
I Feel It Fall For You What do you need?
What do you need?
