

Darling (Ft. Missio)

Said The Sky

Why won't you love, little lady
I want your kiss, little baby
Give me your hand darling, darling Why won't you love, little lady
Why won't you kiss, baby
Give me your hand, darling (darling) Show me the way, little lover
Show me your face, little baby
Give me your lips, darling (darling)
Say what you'll say
I'm gonna love you
Say what you'll say
I'm gonna love you till the end
Say what you'll say
I'm gonna love you
Say what you'll say
I'm gonna love you till the end
I'm gonna love you (love you)
Why won't you love, little lady
Why won't you kiss, little baby
Give me your hand darling (darling)
