

I Got U

Selena Gomez & the Scene

I picked you out in a crowd of a thousand faces
Yea, I found you oooooooooo
I chose the why's and the when's, all the random places
Yea, I chose you oooooooooo I let you see me, let you believe it was your move
So smooth, my rules
Well you think you are the one who got me boy
But I got u,
I've been playing with you like a little toy Yea, I got u
I got u
You'd be surprised all the times I almost told you
But I stayed cool oooooooooo
I almost broke but I knew I would get to hold you
cuz I'm no fool ooooooo
You came up to me, and did the very thing I knew
That you do ooooooooooooo
Well you think you are the one who got me boy,
But I got u,
I've been playing with you like a little toy
Yea, I got u
I got u
You gave me all control
I got u
I took your heart and soul I got u
For me I'm gonna roll
I got u, u, uuuuuuu
I got uuu, oh yea
I got u and I love it
I got u
Yea, I got u
I got u and I love it
I got u
Yea, I got u
Well you think you are the one who got me boy,
But I got u,
I've been playing with you like a little toy
Yea, I got u
I got u and I love it I got u,
Yea, I got u
I got u and I love it

I got u
Yea, I got u
I got u and I love it
I got u
Yea, I got u
