

Hot Tramps

Beach Slang

Your eyelashes shine like a
Plastic diamond
Your arms are a car crash
I want to die in Your lips smash in mine just like
Lust and violence
Your heart's marvelous trash
The world's forgotten I can't love you raw enough
I can't love you raw enough
I can't love you raw enough
I can't love you raw enough Your mouth mumbles wild like a
Pile of sirens
Your art is a loud bash of
Teenage feelings If you're ready, I'm in I can't love you raw enough
I can't love you raw enough
I can't love you raw enough
I can't love you raw enough
