

# You'll Never Be Alone

## Capital Kings

I'm the street lights that guide you home  
I'll be the G.P.S when you've lost your phone  
I'll be the song that's rockin' in your headphones  
I'll show you the signs  
To let you know  
You'll never be alone

Hey  
Let me start it off by sayin' this  
You mean everything to me nothin' I wouldn't risk  
Every single second and moment that passes by  
I'm thinkin' about you and I really want you to know that

There's something more out there  
Somethin' that will hold you very tight when you're scared  
'Cause I know when times get tough and it starts to feel rough  
It can feel like everythings crashin' down on ya

So when it seems like every road you're on has hit a dead end  
There is hope  
Let me show

I'm the street lights that guide you home  
I'll be the G.P.S when you've lost your phone  
I'll be the song that's rockin' in your headphones  
I'll show you the signs  
To let you know  
You'll never be alone  
You'll never be alone

Man  
Crazy how you got this far  
I'd be sittin' just wonderin' where to start  
Last week you were sayin' that somethin' just ain't right  
Layin' in your bed stayin' up all night

'Cause  
This life is harder than it seems  
But one thing I've learned is never stop chasin' your dreams  
And if it, if it ever get's to hectic for you

Stop for a second and remember one thing.

So when it seems like every road you're on has hit a dead end  
There is hope  
Let me show

I'm the street lights that guide you home  
I'll be the G.P.S when you've lost your phone  
I'll be the song that's rockin' in your headphones  
I'll show you the signs  
To let you know  
You'll never be alone  
You'll never be alone

Sometimes life is an ocean  
We're just trying to flow  
We get caught in slow motion  
From the undertow

Sometimes the path to choose  
Is right in front of you  
You just gotta let go

I'm the street lights that guide you home  
I'll be the G.P.S when you've lost your phone  
I'll be the song that's rockin' in your headphones  
I'll show you the signs  
To let you know

(You'll never be alone)

I'm the street lights that guide you home  
I'll be the G.P.S when you've lost your phone  
I'll be the song that's rockin' in your headphones  
I'll show you the signs  
To let you know  
You'll never be alone  
You'll never be alone
