

# My Iron Lung (Radio Session Ve

## Radiohead

Faith, you're driving me away  
You do it everyday  
You don't mean it but it hurts like hellMy brain says I'm receiving pain  
A lack of oxygen from my life support  
My iron lungWe're too young to fall asleep  
Too cynical to speak  
We are loosing it, can't you tell?We scratch our eternal itch  
Our twentieth century bitch and we are grateful for our  
Iron lungSuck, suck your teenage thumb  
Toilet trained and dumb  
When the power runs out we'll just humThis this is our new song  
Just like the last one  
A total waste of time  
My iron lungIf you're frightened  
You can be frightened  
You can be, it's okayIf you're frightened  
You can be frightened  
You can be, it's okay
