

Milk-Choc

Kazaky

Let me see your dance
Let me see your face
Let me see your dance
Let me see your face
Let me see your dance That's my weakness
Let me see your face
That's my wishes
Let me see your dance That's my weakness
Let me see your face
That's my wishes
Summertime the sun is fine
Let me see your dance It will be the perfect tan Milk-chocolate ass
Summertime the sun is fine
Let me see your dance
The whole beaches full of face Milk-chocolate face And when the sun is down
Let the night breaking to
Leaving me bound to you
Can't get enough for you
That moment is now Take me inside of you
And when the sun is down
Let the night breaking to
Leaving me bound to you Can't get enough for you
That moment is now
Take me inside of you
Flying away with you
Diving deep into you Feel the life
Let me see your dance
Summertime the sun is fine
Let me see your face
It will be the perfect tan
Let me see your dance Summertime the sun is fine
Let me see your face
And when the sun is down
Let the night breaking to
Leaving me bound to you Can't get enough for you
That moment is now
Take me inside of you
Flying away with you
Diving deep into you

Feel the life
