

# I'm Good At Leavin'

[Ashley Monroe](#)

I'm good at leaving  
It's all I do  
I'll hang around a day or two  
And like the wild wind, I'll be gone  
I've always been a rolling stone  
I'm good at walkin' out the door  
And I don't love you anymore  
You're a fool for not believing  
I'm good at leaving I've tried and I've tried  
To keep 'em all satisfied  
I've prayed and I've stayed too long  
If something comes over me  
I got a knack for being free  
I'm just following a feeling  
I'm good at leaving A couple times I said I do  
A couple times I said we're through  
I never really seem to get what I was needing  
I'm good at packing up my car  
I'm good at honky tonks and bars  
I'm bad at staying home and cleaning  
I'm good at leaving I've tried and I've tried  
To keep 'em all satisfied  
I've prayed and I've stayed too long  
If something comes over me  
I got a knack for being free  
I'm just following a feeling  
I'm good at leaving
