21 Guns (Live In Tokyo)

Green Day

Do you know what's worth fighting for,
When it's not worth dying for?
Does it take your breath away
And you feel yourself suffocating?
Does the pain weigh out the pride?
And you look for a place to hide?
Did someone break your heart inside?
You're in ruinsOne, twenty one guns
Lay down your arms
Give up the fight
One, twenty one guns
Throw up your arms into the sky,
You and IWhen you're at the end of the road
And you lost all sense of control
And your thoughts have taken their toll
When your mind breaks the spirit of your soul
Your faith walks on broken glass
And the hangover doesn't pass
Nothing's ever built to last
You're in ruinsOne, twenty one guns
Lay down your arms
Give up the fight
One, twenty one guns
Throw up your arms into the sky,
You and IDid you try to live on your own
When you burned down the house and home?
Did you stand too close to the fire?
Like a liar looking for forgiveness from a stoneWhen it's time to live and let die
And you can't get another try
Something inside this heart has died
You're in ruinsOne, twenty one guns
Lay down your arms
Give up the fight
One, twenty one guns
Throw up your arms into the sky,One, twenty one guns
Lay down your arms
Give up the fight
One, twenty one guns
Throw up your arms into the sky,

You and I
