## Duoteque

Tiny fingers from afar  
Born to sow your push-up braBillions spent on your new campaign  
The greater the profit, the greater the painHey Mister  
That nose of yours seems to grow  
Hey MisterI got to know  
How about the kid down in Olongapo?  
I got to know  
I hate your stinking logoHey Mister  
You sinister Pinocchio  
Hey MisterI got to know  
How about the kid down in Olongapo?  
I got to know  
I hate your stinking logoSpare me your attempts to charity  
I smell business strategy
